Dear Sir or Madam,

In this dossier you will find all the information you need for your city or your province to take part in the **European Running Challenge** to be held in **Metz on October 13, 2019**.

The idea is to invite runners to represent you, by participating in one of the races organised as part of the Metz Marathon (the marathon itself, the marathon relay team of 2 or 4 runners and the 10 km race).

In 2019, the Metz Marathon will also host the French Championship. It is also celebrating its 10th anniversary. For these two reasons, we will pursue a significant media strategy and the attention of regional and national media.

On the sidelines of this event, a symposium organised by the city of Metz and the Congress of the Council of Europe will also be held.

We invite you to pass on this invitation to participate in the European Challenge to the relevant communities or institutions and to sports sector representatives and sports clubs in your area.

This opportunity is also intended for you to promote your region within the official event village. A European village will be created there. More than 25,000 people come to spend the weekend of the races here.

Metz puts on a great welcome. We are preparing a convivial and friendly programme for you.

Sport at the service of the European idea and of exchange between peoples.

Thank you for helping this idea grow and prosper.

See you in Metz on October 13th next year! And until then, I remain at your disposal for any further information you may require.

Warmest greetings,

Hubert Ehrminger
President of the Metz Marathon
